Subject: H.B. 6656

To Whom It May Concern;
I oppose the following:

H.B. No. 6656 (RAISED) INSURANCE AND REAL ESTATE . 'AN ACT CONCERNING LIABILITY INSURANCE FOR FIREARM POSSESSORS OR OWNERS', to require any person who possesses or owns a firearm to procure and maintain excess personal liability insurance and self defense insurance, and to require the Insurance Commissioner to adopt regulations to implement the provisions of this section.
REF. INSURANCE AND REAL ESTATE

Setting undue roadblocks on our constitutional right to bear arms is a clear violation of the intent of the Framers. What right do you have to place such a financial burden on low income families to afford these rights? **It's no different than laws passed in order to make voting difficult or impossible for blacks.** Are you so biased against the poor that you willfully restrict their abilities to defend themselves? Do you not know the danger they live in every day in inner cities and low income suburbs? Are you only aware of violence when it hits your middle class suburbs?

Let me restate the part of the 2nd amendment in question, just so you're clear on it's literal meaning. "Shall NOT be infringed".
Infringe:

Verb

Actively break the terms of (a law, agreement, etc.): "infringe a copyright".

Act so as to limit or undermine. (something); encroach on: "infringe on his privacy".

What part of this is difficult?

Sincerely,
Audrey & Philip Hussey
ACTIVE voters.
